The first named team will choose a goal. The second named team will kick off the match.</li> </ol> |

6. Teams not ready to play at the scheduled time will forfeit the match and the opposition will be awarded 2-0. This is at the referee's discretion and his/her decision is final.
7. If a team member receives a yellow card, they will enter the sin bin for 3 minutes.
8. If a team member received a red card, they will no longer be able to take part in this competition.
9. The decision of the Sport Manager along with a MLS Team member on the application of these rules will be final.
10. The 'roll-on-roll-off' rule applies to substitutions. The number of rolling substitutions is unlimited. A 'rolling' substitution is one which is made when the ball is dead and with the Outgoing player must leave the field of play before the substitute enters the playing area. The oncoming players are active immediately and can receive the ball. Any player may change places with the goalkeeper, provided that the referee is informed and only during stoppage time. All substitutions must be carried out on the halfway line and at the referee's discretion.
11. After a goal is scored there will be a restart with a centre kick by the team who did not score.
12. All free kicks are direct, as soon as the ball is stationary. Free kicks must be taken where the offence was committed, and opponents must be 5 yards from the ball.
13. Opposition players must be 5 yards away from where corners and under arm throw ins are taken.
14. A one-handed underarm throw and under knee height in a horizontal or downward motion must be used to re-introduce the ball into play from throw-ins, corners and from goalkeepers.
15. Goal keepers are not allowed to kick the ball from their hands to introduce the ball into play.
16. Only the defending goalkeeper is allowed to play the ball inside the goal area and only the goalkeeper may handle the ball in this area.
17. Outfield players are allowed in the goal area.
18. Goalkeepers are allowed out of goal area; however, a free kick can be awarded if the goalkeeper handles the ball outside this area.
19. An outfield player who receives a throw from the goalkeeper cannot pass the ball directly back to the keeper, the ball must be touched by a second player. Such an action would result in a direct kick 5 yards outside the penalty area in line with the infringement.
20. Ball is allowed to go over head height.
21. A goal may be scored from any point within the field of play. The only exception is that goalkeepers may not score against their opponents (except in penalty shoot-outs).
22. In the event of a sudden death penalty shootout, a coin will be tossed, and the winner will decide who goes first or second and this order should be kept throughout.
23. The taking of a penalty will be in line with the one step rule.
